Angler of the year

Only big fish submittals from Colorado are eligible for Angler of the Year award. This award goes to the CWA Member who outright wins the most big fish awards in a calendar year within his local chapter. The overall winner of all three chapters receives the award at the annual banquet. Ties will be determined by total length for the year, but could result in a co-winner . All photos submitted become property of the CWA.

All submittals can be given in person at local chapter meeting for month prior or must be received via email or fax prior to the monthly meeting . All decisions are final and any questions will be settled by the Big Fish Committee.

Submittals via e-mail or fax can be sent to your local big fish coordinator/chapter director.
